

Holgate Development, LLC Continues Site Work on Eastampton Village II and III on Woodlane Road. The project, consisting of eight (8) single family homes and fifty-five (55) townhomes, received Land Use Planning Board approval in 2014 and is located adjacent to the existing Sharbell development. Work is scheduled to be performed on weekdays, weather permitting, from 7 am to 6 pm. Work will occasionally be conducted on Saturdays during the same hours. Although vehicular traffic may be impacted in this area, roads will remain open throughout the project. *Residents near the intersection of Woodlane Road and Rochelle Drive are advised that work to align the entranceways to Rochelle Drive and the new development will begin soon.* Construction work is being performed by Blenheim Construction of Sicklerville and Township Engineer Environmental Resolutions is managing project oversight. Progress and timelines will be provided throughout the project via all Township information outlets.
