

Township Begins Preliminary Work for Planned Road Resurfacing on Linden Tree Lane and Nottingham Way. The staff of Township Engineer Environmental Resolutions, Inc. will be on Linden Tree Lane, Nottingham Way and surrounding roads to complete surveying, existing condition verifications and pavement cores associated with planned road resurfacing. Utility mark outs associated with this project have been completed and residents are reminded to not remove any of the small flags associated with the work. Please contact (609) 267-5723, ext. 200 for any additional information.
