#### About our event:

- We hope to raise awareness of important issues such as increasing physical activity among children, pedestrian safety, traffic congestion, concern for the environment and building a sense of community!
- Students are asked to meet at any of the meeting points at 8:00 AM. We will begin the walk into the Main Office Entrance at 8:30.
  - Students who live to the **West** of the school are encouraged to meet at **Learning Lane**.
  - Students who live to the **East** of the school are encouraged to meet on the school property border near **Manor House**.
    - Learning Lane will be closed to vehicular traffic the morning of Oct. 7.
- In order to allow all students to participate, bus students will be dropped off at the back of the school and escorted to the Manor House to walk in with their classmates.
- Parents of students in the WeeKids Morning Program who are interested in their child participating should send a note prior to Oct. 7, requesting their child be excused early from WeeKids.
