**EASTAMPTON TOWNSHIP
HOSTS 1ST ANNUAL EASTER MAGIC SHOW**

EASTAMPTON TOWNSHIP. Eastampton Township Mayor Anthony Zeno and Township Council hosted their 1st Annual “Easter Magic Show” at the Eastampton Community School on March 27. The event, coordinated by the Eastampton Recreation Advisory Committee, featured a magic show performed by magician Mark Wurst, chocolate lollipops for all children in attendance and a special visit from the Easter Bunny, who greeted and took photos with over 75 area children.

Mayor Zeno stated, “This newly organized free community event was a huge success and I want to personally thank our Recreation Advisory Committee for their continued efforts in coordinating outstanding recreation programs and activities for our community. This event provided the children in our community with the opportunity to enjoy a live magic show and spend some time with the Easter Bunny in a great environment. The Township is looking forward to making the Easter Magic Show an annual event for years to come.”
